GTM Payroll & Tax Service Options

Having a household employee can mean spending more than 60 hours a year handling tax and payroll issues, including tax and labor laws, registering for state and federal tax accounts, calculating and paying wages and taxes, and filing tax returns. With GTM's EasyPay® and EasyTax® products, all of this is done for you.

Easy Pay®

GTM's most popular product, EasyPay®, includes all of the services listed below:

- Client access to secure GTM online account
- Calculation of tax liability
- Collection of tax liability from client's bank account
- Electronic filing of client's quarterly and annual tax filings
- Coordination of responses to inquiries from federal, state, and local tax authorities
- Year-end filing (additional fee required)
- Free direct deposit of payroll checks
- Employee self-service with access to W2s and pay stubs
- Detailed employee earnings histories
- Printed payroll reports
- Unlimited deductions and earnings
- Sick, vacation and personal time tracking
- A free copy of "How to Hire a Nanny" by Guy Maddalone, CEO and founder of GTM Payroll Services Inc.
- \$780 per year

Easy Tax®

EasyTax® provides traditional tax services to households employing a household employee(s). These services include:

- Client access to secure GTM online account
- Calculation of tax liability
- Collection of tax liability from client's bank account
- Electronic filing of client's quarterly and annual tax filings
- Coordination of responses to inquiries from federal, state, and local tax authorities
- Year-end filing (additional fee required)
Note: With EasyTax® product, the client is responsible for issuing paycheck(s) to employee(s).
- \$720 per year
