

The Six Stars Club

January 6, 2006

To Whom It May Concern:

I have known Pat Cascio for many years, first as a client, and now as a business associate.

When my wife and I first had children and were looking for a live-in nanny, Pat and Morningside Nannies were extremely helpful in filling our needs. They were professional, efficient and timely.

In my current business as Founder and CEO of The Six Stars Club, a personal assistance business, we have teamed up with Pat and Morningside where they are now a Vendor Partner to our Club. Six Stars' clientele is upscale, and we only select best in class service providers. Morningside is certainly that. We unflinchingly refer them to our client base when a need for their service is requested. That is probably the highest recommendation I can give both Pat and Morningside since our Vendor Partners are the lifeblood of our business.

Should you need further clarification or information, please call me at 713-333-7827.

Sincerely,
